State Auditor Designates City of Moriarty for Special Audit
Plans to Review Public Works Department's Utility Billing of Customers

SANTA FE, NM – The Office of the State Auditor plans to conduct a special audit of the City of Moriarty Public Works Department. The City of Moriarty notified the State Auditor of potential discrepancies in connection with utility billing and water meter readings. The special audit will examine whether city employees gave special treatment to certain water users.

“The citizens of the City of Moriarty deserve to be assured that their utility bills reflect fair practices and that they are not suffering the consequences of favoritism by those trusted to protect public dollars,” stated Auditor Keller. “We appreciate the City of Moriarty for bringing the issue to light and will work together to get to the bottom of any potential fraud, waste and abuse.”
