## INDEPENDENT AUDITORS' REPORT

Hector H. Balderas, State Auditor  
The Board of Education and  
The Audit Committee of  
Cuba Independent School District No. 62

### Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, the aggregate remaining fund information, and the budgetary comparisons for the general fund and major special revenue funds of Cuba Independent School District No. 62, as of and for the year ended June 30, 2013, and the related notes to the financial statements which collectively comprise Cuba Independent School District No. 62's basic financial statements as listed in the table of contents. We also have audited the financial statements of each of Cuba Independent School District No. 62's nonmajor governmental and the budgetary comparisons for the major capital project funds, debt service funds, and all nonmajor funds presented as supplementary information, as defined by the Government Accounting Standards Board, in the accompanying combining and individual fund financial statements as of and for the year ended June 30, 2013, as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to Cuba Independent School District No. 62's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of Cuba Independent School District No. 62, as of June 30, 2013, and the respective changes in financial position thereof and the respective budgetary comparisons for the general fund and major special revenue funds for the year then ended in accordance with accounting principles generally accepted in the United States of America. In addition, in our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each nonmajor governmental of Cuba Independent School District No. 62 as of June 30, 2013, and the respective changes in financial position thereof and the respective budgetary comparisons for the major capital project funds, debt service fund, and all nonmajor funds for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Hector H. Balderas, State Auditor  
The Board of Education and  
The Audit Committee of  
Cuba Independent School District No. 62

## Other Matters

### *Required Supplementary Information*

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

### *Other Information*

Our audit was conducted for the purpose of forming opinions on Cuba Independent School District No. 62's financial statements, the combining and individual fund financial statements, and the budgetary comparisons. The Schedule of Expenditures of Federal Awards as required by Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations and the other schedules required by 2.2.2.NMAC are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Schedule of Expenditures of Federal Awards and other schedules required by 2.2.2 NMAC are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with the auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures and other schedules required by 2.2.2 NMAC are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

## Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated October 29, 2013 on our consideration of Cuba Independent School District No. 62's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Cuba Independent School District No. 62's internal control over financial reporting and compliance.

## I. SUMMARY OF ALL SIGNIFICANT ACCOUNTING POLICIES

### A. Reporting Entity

Cuba Independent School District No. 62 (District) is a special purpose government corporation governed by an elected five-member Board of Education. The Board of Education is the basic level of government, which has oversight responsibility and control over all activities related to the public school education in the Village of Cuba, New Mexico and the surrounding areas. The District is responsible for all activities related to public elementary and secondary school education within its jurisdiction. The District receives funding from local, state, and federal government sources and must comply with the requirements of these funding source entities.

The District's financial statements include all entities over which the Board of Education exercises oversight responsibility. Oversight responsibility includes such aspects as appointment of governing body members, designation of management, the ability to significantly influence operations, and accountability for fiscal matters. Based upon the application of these criteria, no component units or fiduciary units were included in the financial statements.

Generally Accepted Accounting Principles (GAAP) requires that financial statements present the District (primary government) and its component units. The District has no component units that are required to be presented in accordance with Governmental Accounting Standards Board (GASB) Statement No. 14, *The Financial Reporting Entity* and GASB Statement No. 39, *Determining Whether Certain Organizations Are Component Units, an amendment of GASB Statement No. 14*.

#### 1. Blended Component Units

The District does not have any component units reported as blended component units.

#### 2. Discretely Presented Component Units

The District does not have any component units reported as discretely presented component units.

The summary of significant accounting policies of the District is presented to assist in the understanding of the District's financial statements. The financial statements and notes are the representation of Mesa Vista Consolidated School District's management who is responsible for their integrity and objectivity. The financial statements of the District conform to GAAP as applied to governmental units. GASB is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the government's accounting policies are described below.

### B. Government-Wide and Fund Financial Statements

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all of the non-fiduciary activities of the school district. For the most part, the effect of inter-fund activity has been removed from these statements.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Separate financial statements are provided for governmental funds. Major individual governmental funds are reported as separate columns in the fund financial statements.

## I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

During fiscal year 2013, Cuba Independent School District No. 62 adopted the following GASB Statements:

- GASB 60, Accounting and Financial Reporting for Service Concession Arrangements, improves financial reporting by addressing uses related to service concession arrangements (SCAs), which are a type of public-private or public-public partnership. This Statement establishes recognition, measurement, and disclosure requirements for SCAs for both transferors and governmental operators.
- GASB 61, The Financial Reporting Entity: Omnibus an amendment of GASB Statements No. 14 and No. 34, is effective for the District beginning with its year ending June 30, 2013. This Statement modifies certain requirements for inclusion of component units in the financial reporting entity
- GASB 62, Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements, is effective for the District beginning with its year ending June 30, 2013. The objective of this Statement is to incorporate into the GASB's authoritative literature certain accounting and financial reporting guidance that is included in following pronouncements issued on or before November 30, 1989, which does not conflict with or contradict GASB pronouncements.
- GASB 63, Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position, standardizes the presentation of deferred outflows of resources and deferred inflows of resources and their effects on a government's net position.
- GASB 64, Derivative Instruments: Application of Hedge Accounting Termination Provisions — an Amendment to GASB Statement No. 53, which had no impact on the current year financial statements. The objective of this statement is to enhance comparability and improve financial reporting by clarifying the circumstances in which hedge accounting should continue when a swap counterparty, or a swap counterparty's credit support provider, is replaced.
- GASB 65, Items Previously Reported as Assets and Liabilities, establishes accounting and financial reporting standards that reclassify, as deferred outflows of resources or deferred inflows of resources, certain items that were previously reported as assets and liabilities and recognizes, as outflows of resources or inflows of resources, certain items that were previously reported as assets and liabilities. This Statement resulted in a restatement of the financial statements which is detailed in Note IV.E on page 35.

Other accounting standards that Cuba Independent School District No. 62 is currently reviewing for applicability and potential impact on the financial statements include:

- GASB 66, Technical Corrections: an amendment to GASB Statements No. 10 and No. 62, resolves conflicting accounting and financial reporting guidance that could diminish the consistency of financial reporting and thereby enhance the usefulness of the financial reports. This Statement will be effective for the year ended June 30, 2014.
- GASB 67, Financial Reporting for Pension Plans—an amendment of GASB Statement No. 25, establishes accounting and financial reporting requirements related to pensions for governments whose employees are provided with pensions through pension plans that are covered by the scope of this Statement, as well as for nonemployer governments that have a legal obligation to contribute to those plans. This Statement will be effective for the year ended June 30, 2014.
- GASB 68, Accounting and Financial Reporting for Pensions—an amendment of GASB Statement No. 27, this Statement addresses accounting and financial reporting for pensions that are provided to the employees of state and local governmental employers through pension plans that are administered through trusts. This Statement will be effective for the year ended June 30, 2015.

## I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (cont'd)

- GASB 69, Government Combinations and Disposals of Government Operations, which had distinguishes between a government merger and a government acquisition and establishes accounting and financial reporting standards related to government combinations and disposals of government operations. This Statement will be effective for the year ended June 30, 2015.
- GASB 70, Accounting and Financial Reporting for Nonexchange Financial, June 30, 2014 the requirements of this Statement will enhance comparability of financial statements among governments by requiring consistent reporting by those governments that extend nonexchange financial guarantees and by those governments that receive nonexchange financial guarantees. This Statement will be effective for the year ended June 30, 2014.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues, net of estimated refunds and estimated uncollectable amounts, in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Revenues received during the year but are applicable to subsequent years are reported as deferred inflows of resources. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due. Expenditures incurred during the year that are for the benefit of subsequent years are reported as deferred outflows of resources.

Property taxes and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the government.

The government reports the following major governmental funds:

General Fund – The general fund is the government’s primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

Title I Special Revenue Fund – To help local education agencies (LEAs) and schools improve the teaching and learning of children failing, or most at-risk of failing, to meet challenging State academic standards. Funding authorization: Elementary and Secondary Education Act of 1965, Title I, Part A, 20 U.S.C. 6301 et seq.

Bond Building Capital Projects Fund – This fund provides financing for the construction of buildings, the purchase of equipment, and the acquisition and improvement of land. Funding is provided by the sale of general obligation bonds, which have been approved by the voters of the district.

Capital Improvements SB – 9 Capital Projects Fund – This fund provides financing for the purchase of equipment and capital improvements to School District property. Funding is received from a 2 mill property tax levy and interest earned on investments, under New Mexico Senate Bill 9.

Debt Service Fund - The debt service fund is used to account for the accumulation of resources for, and the payment of, general long-term debt principal, interest, and related costs.

## I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (cont'd)

Additionally, the government reports the following fund types:

Special Revenue Funds – Special Revenue Funds are used to account for the proceeds of specific revenue sources – which are legally restricted to expenditures for specified purposes.

Capital Projects Funds – Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities.

Fiduciary Funds – Fiduciary Funds are the agency funds used to account for financial resources used by the student activity groups for which the District has stewardship

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

### D. Assets, Liabilities, and Net Position or Equity

#### 1. *Deposits and investments*

The government's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

State statutes authorize the investment of the District's funds in a wide variety of instruments including certificates of deposit and other similar obligations, state investment pool, and money market accounts. The District is also allowed to invest in United States Government obligations. All funds for the District must follow the above investment policies.

Deposits of funds may be made in interest or non-interest bearing checking accounts in one or more banks or savings and loan associations within the geographical boundaries of the school district. Deposits may be made to the extent that they are insured by an agency of the United States or by collateral deposited as security or by bond given by the financial institution.

The rate of interest in non-demand interest-bearing accounts shall be set by the State Board of Finance, but in no case shall the rate of interest be less than one hundred percent of the asked price on United States treasury bills of the same maturity on the day of deposit.

Excess of funds may be temporarily invested in securities which are issued by the State or by the United States government, or by their departments or agencies, and which are either direct obligations of the State or the United States or are backed by the full faith and credit of those governments.

#### 2. *Receivables and payables*

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due from/to other funds" (i.e., the current portion of inter-fund loans) or "advances to/from other funds" (i.e., the non-current portion of inter-fund loans). All other outstanding balances between funds are reported as "due from/to other funds."

The District's property taxes are levied each year on the assessed valuation of property located in the School District as of the preceding January 1st. Mill levy rates are set by the State of New Mexico each year for the General Fund, SB – 9 Capital Improvements Fund, and Debt Service Fund. Taxes are payable in two equal installments on November 10th and April 10th following the levy and become delinquent after 30 days.

# NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2013

## I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### D. Assets, Liabilities, and Net Position or Equity (cont'd)

Under GASB Statement 33, property taxes are impressed non-exchange revenue. Assets from impressed non-exchange transactions are reported when the School District has an enforceable legal claim to the asset. The enforceable legal claim date for property taxes is the assessment date. Taxes are payable in two equal installments on November 10 and April 10th following the levy and become delinquent after 30 days. Therefore, the School District has recorded a delinquent tax receivable and revenue for taxes received within the sixty days following year-end. A receivable and deferred revenue have been recorded for uncollected delinquent taxes. On the government-wide financial statements, the district has recorded delinquent property taxes receivable and revenue for taxes assessed as of year-end that have not been collected, as prescribed in GASB 34. An allowance for refunds and uncollectible amounts has not been recorded.

#### 3. Inventories

USDA Commodities are recorded at estimated costs and other inventories are recorded at cost, which approximates market. Inventories of governmental funds are recorded as expenditures when purchased rather than when consumed.

#### 4. Capital assets

Capital assets, which include property, plant, and equipment (software), are reported in the applicable governmental-wide financial statements. Beginning July 1, 2005, the threshold for defining Capital assets by the government was raised from \$1,000 to assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Software costs have been included with the cost of computer equipment and are capitalized with that equipment. The District does not develop software for internal use or any other use.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest on construction projects has not been capitalized.

Property, plant, and equipment of the primary government are depreciated using the straight line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings	40-50
Building improvements	20
Land Improvements	10-20
Vehicles	5-7
Office equipment	5
Computer equipment	3-5

#### 5. Compensated absences

It is the District's policy to permit employees to accumulate 120 days of earned but unused vacation, which will be paid to employees upon retirement from the District's service. The amount for liability has been reported in the government-wide financial statements.

Accumulated sick leave is not payable upon termination and is recorded as expenditures when it is paid.

## I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### D. Assets, Liabilities, and Net Position or Equity (cont'd)

#### 6. *Long-term obligations*

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, statement of Net Position. Bond premiums and discounts, as well as issuance costs, are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discounts. Bond issuance costs are reported as deferred charges and amortized over the term of the related debt.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as capital projects expenditures.

#### 7. *Fund balance*

##### a. Non-Spendable

The non-spendable fund balance classification includes amounts that cannot be spent because they are either not in spendable form or legally or contractually required to be maintained intact. The "not in spendable form" criterion includes items that are not expected to be converted to cash, for example, inventories and prepaid amounts.

##### b. Restricted

Fund balance is reported as restricted when constraints placed on the use of resources are either (1) externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or (2) imposed by law through constitutional provisions or enabling legislation.

##### c. Committed

Amounts that can only be used for specific purposes pursuant to constraints imposed by the formal action of the District's Board of Education should be reported as committed fund balance. The committed amounts cannot be used for any other purpose unless the District's Board of Education removes or changes the specified use by taking the same type of action it employed to previously commit those amounts. The District did not have committed fund balances for the year ended June 30, 2013.

##### d. Assigned

Assigned fund balance includes (a) all remaining amounts, except for negative balances, that are reported in governmental funds, other than the general fund, that are not classified as non-spendable and are neither restricted nor committed and amounts in the general fund that are constrained by the District's intent to be used for specific purposes, but are neither restricted nor committed. Intent, and removal of, is expressed by the Board of Education or the Finance Committee. The District did not have assigned fund balances for the year ended June 30, 2013.

##### e. Unassigned

The remaining fund balance, after all other classifications, within the general fund is reported as unassigned fund balance. This classification represents fund balance that has not been assigned to other funds and that has not been restricted, committed, or assigned to specific purposes within the general fund. In governmental funds other than the general fund, if expenditures incurred for specific purposes exceeded the amounts restricted, committed, or assigned to those purposes, a negative fund balance will be reported as unassigned fund balance.

When committed, assigned, and unassigned resources are available for use, it is the District's policy to use committed first followed by assigned and unassigned resources as they are needed.

## I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### D. Assets, Liabilities, and Net Position or Equity (cont'd)

#### 8. *Net Position*

Net Position is presented on the Statement of Net Position and may be presented in any of three components.

##### a. Invested in capital assets, net of related debt

This component of Net Position consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. The portion of the debt attributable to the unspent proceeds is not included in the calculation of invested in capital assets, net of related debt. That portion of the debt is included in restricted for capital projects.

##### b. Restricted Net Position

Net Position are reported as being restricted when the restriction is either externally imposed by creditors, grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation. Enabling legislation authorizes the government to assess, levy, charge, or otherwise mandate payment of resources (from external resource providers) and includes a legally enforceable requirement that those resources be used only for the specific purposes stipulated in the legislation.

##### c. Unrestricted Net Position

Unrestricted Net Position consists of Net Position that does not meet the definition of “invested in capital assets, net of related debt” or “restricted.”

When both restricted and unrestricted resources are available for use, it is the government’s policy to use restricted resources first, then unrestricted resources as they are needed.

In the governmental environment, Net Position often is designated to indicate that management does not consider them to be available for general operations. In contrast to restricted Net Position, these types of constraints on resources are internal and management can remove or modify them. However, enabling legislation established by the reporting government should not be construed as an internal constraint.

#### 9. *Indirect Costs*

The District’s General Fund receives indirect cost reimbursements from the various federal programs it administers. These reimbursements are for expenses incurred in performing administrative functions on behalf of the Special Revenue Funds. They are shown as expenditures in the Special Revenue Funds, and as other special federal revenue in the General Fund.

#### 10. *Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### 11. *Revenues*

State Equalization Guarantee: School districts in the State of New Mexico receive a ‘state equalization guarantee distribution’ which is defined as “that amount of money distributed to each school district to insure that the school district’s operating revenue, including its local and federal revenues as defined (in Chapter 22, Section 825, NMSA 1978) is at least equal to the school district’s “program cost”.

## I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### D. Assets, Liabilities, and Net Position or Equity (cont'd)

A school district's program costs are determined through the use of various formulas using 'program units' which take into consideration 1) early childhood education; 2) basic education; 3) special education; 4) bilingual-multicultural education, 5) size, etc. Payment is made from the public school fund under the authority of the Director of Public School Finance. The District received \$4,753,404 in state equalization guarantee distributions during the year ended June 30, 2013.

Transportation Distribution: School districts in the State of New Mexico received student transportation distributions. The transportation distribution is allocated to each school district in accordance with formulas developed by the State Transportation Director and the Director of Public School Finance. The funds shall be used only for the purpose of making payments to each school district for the to-and-from school transportation costs of students in grades K through twelve attending public school within the school district. The District received \$781,956 in transportation distributions during the year ended June 30, 2013.

## II. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

### A. Budgetary Information

Budgets for the General, Special Revenue, Capital Projects, and Debt Service Funds are prepared by management and are approved by the local Board of Education and the Public School Budget and Planning Unit of the Department of Education. Auxiliary student activity accounts are not budgeted.

These budgets are prepared on the Non-GAAP cash basis, excluding encumbrances, and secure appropriation of funds for only one year. Carryover funds must be re-appropriated in the budget of the subsequent fiscal year. The budget process in the State of New Mexico requires that the beginning cash balance be appropriated in the budget of the subsequent fiscal year. Such appropriated balance is legally restricted and is therefore presented as a reserved portion of fund balance.

Actual expenditures may not exceed the budget on a line item basis, i.e., each budgeted expenditure must be within budgeted amounts. Budgets may be amended in two ways. If a budget transfer is necessary within a major category called a 'series', this may be accomplished with only local Board of Education approval. If a transfer between 'series' or a budget increase is required, approval must also be obtained from Public School Finance Division.

The budgetary information presented in these financial statements has been amended in accordance with the above procedures.

The school district follows these procedures in establishing the budgetary data reflected in the financial statements:

1. In April or May, the superintendent submits to the Board of Education a proposed operating budget of the fiscal year commencing the following July. The operating budget includes proposed expenditures and the means of financing them, and has approval by the Department of Education.
2. In May or June, the budget is approved by the Board of Education.
3. The school board meeting, while not intended for the general public, is open for the general public unless a closed meeting has been called for.
4. The superintendent is authorized to transfer budgeted amounts between departments within any fund; however, any revisions that alter the total expenditures of any fund must be approved by the school board and the State of New Mexico Department of Education.
5. Formal budgetary integration is employed as a management control device during the year for the General Fund, Special Revenue Funds, Debt Service Funds and Capital Projects Funds.

## II. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY (cont'd)

### A. Budgetary Information (cont'd)

6. Budgets for the General, Special Revenue, Capital Projects, and Debt Service Funds are adopted on a basis not consistent with generally accepted accounting principles (GAAP). Encumbrances are treated the same way for GAAP purposes and for Budget purposes.

The Board of Education may approve amendments to the appropriated budget, which are required when a change is made affecting budgeted ending fund balance. The appropriated budget for the year ended June 30, 2013 was properly amended by the Board through the year. New Mexico state law prohibits a Governmental Agency to exceed an individual line item. These amendments resulted in the following changes:

	<u>Original Budget</u>	<u>Final Budget</u>
General Fund	\$ 7,744,201	\$ 7,760,987
Special Revenue Fund	1,681,593	2,822,893
Capital Projects Fund	1,289,977	1,451,056
Debt Service Fund	<u>1,053,284</u>	<u>1,053,284</u>
Totals	<u>\$ 11,769,055</u>	<u>\$ 13,088,220</u>

### B. Budgetary Violations

The District did not exceed its legal budget in any individual funds during the year ended June 30, 2013.

### C. Deficit Fund Equity

There were three deficit fund balances of \$20,608 in the Transportation Fund, \$129,557 Public School Capital Outlay Capital Projects Fund, and \$24,494 in Special Capital Outlay-State Capital Projects Fund as of June 30, 2013. These deficits will be funded by future grants or by the Operational Fund.

## III. DETAILED NOTES ON ALL FUNDS

### A. Cash and Temporary Investments

At June 30, 2013, the carrying amount of the District's deposits was \$3,323,609 and the bank balance was \$3,573,849 with the difference consisting of outstanding checks. Of this balance \$331,314 was covered by federal depository insurance and \$2,214,521 was covered by collateral held in joint safekeeping by a third party.

#### Custodial Credit Risk

Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. New Mexico State Statutes require collateral pledged for deposits in excess of the federal deposit insurance to be delivered, or a joint safekeeping receipt be issued, to the District for at least one half of the amount on deposit with the institution. The statement listed below will meet the State of New Mexico Office of the State Auditor's requirement in reporting the uninsured portion of the deposits. As of June 30, 2013, \$1,028,014 of the District's bank balance of \$3,573,849 was exposed to custodial risk as follows:

#### F. Long-Term Debt

##### General Obligation Bonds

General Obligation Bonds – The District issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities. Bonds are direct obligations and pledge the full faith and credit of the District. The bonds will be paid from taxes levied against property owners living within the School District boundaries. The details of the bonds and notes as of June 30, 2013 are as follows:

<u>General Obligations Bonds</u>		<u>Original Amount</u>	<u>Interest Rates</u>	<u>Balance</u>	<u>Amount Due Within One Year</u>

The liability of compensated absences is liquidated with resources from the general fund and several special revenue funds. The liquidation of bonds payable is done with resources from the debt service fund.

## IV. OTHER INFORMATION

### A. Risk Management

The District is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injury to employees; and natural disasters. The New Mexico Public Schools Insurance Authority (NMSIA) was formed on April 5, 1985 under the New Mexico Public Schools Insurance Authority Act, Chapter 22, Section 2 of the New Mexico Statutes Annotated (NMSA 1978), as amended, as an insurance fund to provide health, disability and life insurance coverage (benefits coverage), and property, casualty and workers' compensation insurance coverage (risk coverage) to participating public schools, school board members, public school employees, and retirees within the State of New Mexico. The District is one of 91 members that participate in NMPSIA. Participation in NMPSIA is mandatory for all K-12 public schools except those with enrollment exceeding 60,000 students. Participation is voluntary for other public education institutions. The District pays an annual premium to the pool for its general insurance coverage. The agreement for formation of NMPSIA provides that the pool will be self-sustaining through member premiums. NMPSIA establishes self-insured retentions by line of coverage and procures insurance or reinsurance, where indicated, in excess of the self-insured retention on a per occurrence basis. NMPSIA will publish its own financial report for the year ended June 30, 2013.

### B. Employee Retirement Plan

Plan Description - Substantially all of the District's full-time employees participate in a public employee retirement system authorized under the Educational Retirement Act (Chapter 22, Article 11, NMSA 1978). The Educational Retirement Board (ERB) is the administrator of the plan, which is a cost-sharing multiple-employer defined benefit retirement plan. The plan provides for retirement benefits, disability benefits, survivor benefits and cost-of-living adjustments to plan members (certified teachers, and other employees of State public school districts, colleges and universities) and beneficiaries. ERB issues a separate, publicly available financial report that includes the financial statements and required supplementary information for the plan. That report may be obtained by writing to:

## IV. OTHER INFORMATION (cont'd)

### B. Employee Retirement Plan (cont'd)

#### *Funding Policy*

##### Member Contributions

Plan members whose annual salary is \$20,000 or less are required by statute to contribute 7.9% of their gross salary. Plan members whose annual salary is over \$20,000 are required to make the following contributions to the Plan: 9.40% of their gross salary in fiscal year 2013; 10.1% of their gross salary in fiscal year 2014; and 10.7% of their gross salary in fiscal year 2015 and thereafter.

##### Employer Contributions

In fiscal year 2013, the Cuba Independent School District No. 62 was required to contribute 12.4% of the gross covered salary for employees whose annual salary is \$20,000 or less, and 10.9% of the gross covered salary for employees whose annual salary is more than \$20,000. In the future, the District will contribute the following percentages of the gross covered salary of employees: 13.15% of gross covered salary in fiscal year 2014; and 13.9% of gross covered salary in fiscal year 2015. The contribution requirements of plan members and the District are established in State statute under Chapter 22, Article 11, NMSA 1978. The requirements may be amended by acts of the legislature. The District's contributions to ERB for the fiscal years ending June 30, 2013, 2012, and 2011, were \$485,735, \$445,050, and \$594,932, respectively, which equal the amount of the required contributions for each fiscal year.

### C. Post-Retirement Health Care Benefits

#### *Plan Description*

Cuba Independent School District No. 62 contributes to the New Mexico Retiree Health Care Fund, a cost-sharing multiple-employer defined benefit postemployment healthcare plan administered by the New Mexico Retiree Health Care Authority (RHCA). The RHCA provides health care insurance and prescription drug benefits to retired employees of participating New Mexico government agencies, their spouses, dependents, and surviving spouses and dependents. The RHCA Board was established by the Retiree Health Care Act (Chapter 10, Article 7C, NMSA 1978). The Board is responsible for establishing and amending benefit provisions of the healthcare plan and is also authorized to designate optional and/or voluntary benefits like dental, vision, supplemental life insurance, and long-term care policies.

#### Eligible retirees are:

- 1) retirees who make contributions to the fund for at least five years prior to retirement and whose eligible employer during that period of time made contributions as a participant in the RHCA plan on the person's behalf unless that person retires before the employer's RHCA effective date, in which the event the time period required for employee and employer contributions shall become the period of time between the employer's effective date and the date of retirement;
- 2) retirees defined by the Act who retired prior to July 1, 1990;
- 3) former legislators who served at least two years; and
- 4) former governing authority members who served at least four years.

The RHCA issues a publicly available stand-alone financial report that includes financial statements and required supplementary information for the postemployment healthcare plan. That report and further information can be obtained by writing to:

## IV. OTHER INFORMATION (cont'd)

### C. Post-Retirement Health Care Benefits (cont'd)

#### *Funding Policy*

The Retiree Health Care Act (Section 10-7C-13 NMSA 1978) authorizes the RHCA Board to establish the monthly premium contributions that retirees are required to pay for healthcare benefits. Each participating retiree pays a monthly premium according to a service based subsidy rate schedule for the medical plus basic life plan plus an additional participation fee of five dollars if the eligible participant retired prior to the employer's RHCA effective date or is a former legislator or former governing authority member. Former legislators and governing authority members are required to pay 100% of the insurance premium to cover their claims and the administrative expenses of the plan. The monthly premium rate schedule can be obtained from the RHCA or viewed on their website at [www.nmrhca.state.nm.us](http://www.nmrhca.state.nm.us).

The employer, employee and retiree contributions are required to be remitted to the RHCA on a monthly basis. The statutory requirements for the employer and employee contributions can be changed by the New Mexico State Legislature. Employers that choose to become participating employers after January 1, 1998, are required to make contributions to the RHCA fund in the amount determined to be appropriate by the board.

The Retiree Health Care Act (Section 10-7C-15 NMSA 1978) is the statutory authority that establishes the required contributions of participating employers and their employees. For employees that were members of an enhanced retirement plan (state police and adult correctional officer member coverage plan 1; municipal police member coverage plans 3, 4 or 5; municipal fire member coverage plan 3, 4 or 5; municipal detention officer member coverage plan 1; and members pursuant to the Judicial Retirement Act) during the fiscal year ended June 30, 2013, the statute required each participating employer to contribute 2.5% of each participating employee's annual salary; and each participating employee was required to contribute 1.25% of their salary. For employees that were not members of an enhanced retirement plan during the fiscal year ended June 30, 2013, the statute required each participating employer to contribute 2.0% of each participating employee's annual salary; each participating employee was required to contribute 1.0% of their salary. In addition, pursuant to Section 10-7C-15(G) NMSA 1978, at the first session of the Legislature following July 1, 2013, the legislature shall review and adjust the distributions pursuant to Section 7-1-6.1 NMSA 1978 and the employer and employee contributions to the authority in order to ensure the actuarial soundness of the benefits provided under the Retiree Health Care Act.

The District's contributions to the RHCA for the years ended June 30, 2013, 2012 and 2011 were \$87,883, \$85,638, and \$85,556, respectively, which equal the required contributions for each year.

### D. Contingent Liabilities

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures that may be disallowed by the grantor cannot be determined at this time, although the government expects such amounts, if any, to be immaterial.

The government is a defendant in various lawsuits. Although the outcome of these lawsuits is not presently determinable, in the opinion of the government's counsel the resolution of these matters will not have a material adverse effect on the financial condition of the government.

### E. Restatement

There was a restatement of the financials for \$182,918, unamortized issuance costs and premiums, is for the implementation of GASB65 which requires issuance costs associated with general obligation bond issues to be recognized in the year in which they are incurred.

### IV. OTHER INFORMATION (cont'd)

#### F. Cash Flows

The District's federal and state grants operate on a reimbursement basis. The District must support the expenditures of these grants with monies from the unrestricted operating monies. Operating on a reimbursement basis for these grants in its self does not adversely affect the District's ability to operate effectively. However, the time it takes to receive reimbursement, if extensive, does significantly affect the District's cash flows and the ability to deliver educational services to the community in an effective manner. This could affect the District's financial operations in subsequent years.

#### G. Subsequent Events

Subsequent events were evaluated through October 29, 2013, which is the date the financial statements were available to be issued.

**DUAL CREDIT INSTRUCTIONAL MATERIALS**

To be used for courses approved by Higher Education Department (HED) and through a college/university for which the district has an approved agreement.

**GO BOND LIBRARY**

To be used to fund each library facility for improvement or acquisition and to acquire library books and library resources to support the library program. Funds generated by GO Bonds may not be used to supplant existing or prior library material funding within school districts receiving these monies. This funding will supplement and be in addition to current and existing funding.

**LIBRARIES GO BOND 2010**

To be used to fund each library facility for improvement or acquisition and to acquire library books and library resources to support the library program. Funds generated by GO Bonds may not be used to supplant existing or prior library material funding within school districts receiving these monies. This funding will supplement and be in addition to current and existing funding. Authorized through Senate Bill 2010 SB333.

**FORMATIVE ASSESSMENTS**

The approved formative assessments are for English language arts and math in grades 4 through 10 per school year 2012-2013. These formative assessments will give teachers essential tools for monitoring student progress and making timely, strategic interventions throughout the school year.

**ROBOT SYSTEMS FOR MATH**

These funds are to be distributed and used specifically to plan, design, purchase and install robot systems to equip students for science, technology, engineering and math competitions at public schools statewide. These funds are only for the purchase of kits, computers, spare parts, equipment and software.

## CAPITAL PROJECTS FUNDS

YEAR ENDED JUNE 30, 2013

---

---

### BOND BUILDING FUND

This fund provides financing for the construction of buildings, the purchase of equipment, and the acquisition and improvement of land. Funding is provided by the sale of general obligation bonds, which have been approved by the voters of the district.

### PUBLIC SCHOOL OUTLAY

This fund provides financing from Public Schools Critical Capital Outlay committee under chapter and laws of the New Mexico Lottery Receipts Act.

### SPECIAL CAPITAL OUTLAY - STATE

This fund provides financing for special appropriation monies received from the State of New Mexico under Chapter 367, Laws of 1993.

### SPECIAL CAPITAL OUTLAY - FEDERAL

To maintain school facilities owned by the Department of Education and operated by Board of Education agencies and transfer these facilities to local agencies where appropriate. These funds are authorized by the Elementary and Secondary Education Act of 1965, Title VIII, Section 8008 as amended.

### CAPITAL IMPROVEMENTS SB – 9

This fund provides financing for the purchase of equipment and capital improvements to School District property. Funding is received from a 2 mill property tax levy and interest earned on investments, under New Mexico Senate Bill 9.

### ED TECHNOLOGY EQUIPMENT ACT

This fund is used to account for the revenues and expenditures associated with Education Technology Bonds in the purchasing of equipment used in the educational process.

### PUBLIC SCHOOL CAPITAL OUTLAY – 20%

A capital projects fund to capture the 20% of eligible federal (Forest Reserve and Impact Aid) and local revenue (local taxes) that must be budgeted in Capital Outlay. Provides financing for the construction and improvement of buildings and land, and the purchase of equipment.

INDEPENDENT AUDITORS' REPORT

Hector H. Balderas, State Auditor  
The Board of Education and  
The Audit Committee of  
Cuba Independent School District No. 62

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, the aggregate remaining fund information, the budgetary comparisons of the general fund and major special revenue funds, of the Cuba Independent School District No. 62 as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise Cuba Independent School District No. 62's basic financial statements, and the combining and individual funds and related budgetary comparisons of Cuba Independent School District No. 62, presented as supplemental information, and have issued our report thereon dated October 29, 2013.

**Internal Control Over Financial Reporting**

In planning and performing our audit, of the financial statements, we considered Cuba Independent School District No. 62's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Cuba Independent School District No. 62's internal control. Accordingly, we do not express an opinion on the effectiveness of Cuba Independent School District No. 62's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Cuba Independent School District No. 62's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a *material weakness*, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Cuba Independent School District No. 62

### Compliance and other matters

As part of obtaining reasonable assurance about whether Cuba Independent School District No. 62's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. We also noted certain other matters that are required to be reported pursuant to Government Auditing Standards and pursuant to Section 12-6-5, NMSA 1978, which are described in the accompanying schedule of findings and questioned costs as findings 2013-1 and 2013-2.

### Cuba Independent School District No. 62's Response to Findings

Cuba Independent School District No. 62 responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. Cuba Independent School District No. 62's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the Cuba Independent School District No. 62's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

Cuba Independent School District No. 62

**Report on Compliance for Each Major Federal Program**

We have audited Cuba Independent School District No. 62's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Cuba Independent School District No. 62's major federal programs for the year ended June 30, 2013. Cuba Independent School District No. 62's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of Cuba Independent School District No. 62's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Cuba Independent School District No. 62's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Cuba Independent School District No. 62's compliance.

***Opinion on Each Major Federal Program***

In our opinion, Cuba Independent School District No. 62 complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2013.

Hector H. Balderas, State Auditor  
The Board of Education and  
The Audit Committee of  
Cuba Independent School District No. 62

### **Report on Internal Control Over Compliance**

Management of Cuba Independent School District No. 62 is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Cuba Independent School District No. 62's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Cuba Independent School District No. 62's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

B. FINDINGS - FINANCIAL STATEMENTS AUDIT

2013 – 1 TRAVEL

Significant Deficiency?  
No

Material Weakness?  
No

Compliance or Other Matter?  
Yes

*Condition:* The District is reimbursing for actual expenses for hotel rooms and per diem for food. There is documentation that there was a meal provided at the training or a breakfast provided at the hotel or the training. The per diem rates are in excess of the state limit of \$85 for in state overnight travel. The District is reimbursing at a rate of \$98 per day for overnight travel. The full amount of overpayment could not be determined.

*Criteria:* According to NMSA 1978 Section 2-42-2-8-A where lodging and/or meals are provided or paid for by the agency, the governing body, or another entity, the public officer or employee is entitled to reimbursement only for actual expenses under 2.42.2.9 NMAC.

*Cause:* Improper monitoring and reimbursement of travel reimbursements.

*Effect of condition:* Violation of NMAC 1978 Section 2.42.2.9, reimbursing for per diem when actual expenses were paid for the hotel, and the meals could have been included in the cost of the training or the cost of the hotel.

*Recommendation:* Management should implement immediate steps to provide adequate documentation of what has been paid for with actual costs, and reimburse actual expenses for meals, if actual costs have been reimbursed for the hotel.

*Management's response:* The district has implemented a new form for the travel reimbursement process and updated procedures requiring adequate documentation of actual costs.

**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**YEAR ENDED JUNE 30, 2013**

1. Scope of audit pursuant to OMB Circular A-133

All federal grant operations of Cuba Independent School District No. 62 (the “School District”) are included in the scope of the Office of management and Budget (“OMB”) Circular A-133 audit (the “Single Audit”). The Single Audit was performed in accordance with the provisions of the OMB Circular Compliance Supplement (Revised March 2013 the “Compliance Supplement”). Compliance testing of all requirements are described in the Compliance Supplement, was performed for the grants programs noted below. These programs represent all federal award programs and other grants with fiscal 2013 cash and non-cash expenditures to ensure coverage of at least 25% (LOW risk auditee) of federally granted funds. Actual coverage is approximately 48% of total cash and non-cash federal award program expenditures. Total cash expenditures were in the amount of \$2,789,897 and all non-cash expenditures amounted to \$18,992.

<u>Major Federal Award Program Description</u>	<u>Fiscal 2013 Expenditure</u>
Cash assistance:	
Impact Aid (P.L 184) Indian / Special Education	\$ 1,183,920
Special Educatio (IDEA-B) Cluster	171,809
Total	<u>\$ 1,355,729</u>

There were not any federal programs that were considered Type A programs for the 2013 audit.

The U.S. Department of Education is the School District’s oversight agency for single audit.

2. Summary of significant accounting policies

Basis of presentation

The accompanying Schedule of Expenditure of Federal Awards includes all federal grants to the School District that had activity during the fiscal year ended June 30, 2013. This Statement has been prepared on the accrual basis of accounting. Grant revenues are recorded for financial reporting purposes when the School District has met the qualifications for the respective grant.

Accrued and deferred reimbursements

Various reimbursement procedures are used for Federal awards received by the School District. Consequently, timing differences between expenditures and program reimbursements can exist at the beginning and end of the year. Accrued balances at year end represent an excess of reimbursable expenditures over receipts to date. Deferred balance at year-end represent an excess of cash receipts over reimbursable expenditure to date. Generally, accrued or deferred balances covered by differences in the timing of cash receipts and expenditures will be reversed in the remaining grant period.

3. Audits performed by other entities

There were no other audits performed by other organizations on the School Districts federal grant programs in 2013.
