NEW MEXICO OFFICE OF THE STATE AUDITOR
REPORT REVIEW GUIDE
FOR AGREED-UPON PROCEDURES OF LOCAL PUBLIC BODIES
FOR AUP ENGAGEMENTS PERFORMED
FOR PERIODS ENDING ON OR AFTER JUNE 30, 2018

This review guide should be used for local public bodies that were required by Section 12-6-3 NMSA 1978 (as amended) to procure independent public accountant services for agreed-upon procedures engagement. This review guide should be used by IPAs and Office of the State Auditor (OSA) reviewers to review the agreed-upon procedures reports of qualifying mutual domestic water consumer associations, land grants, special districts, and incorporated municipalities that obtained independent public accountant services for agreed-upon procedures engagement (including Compilations for Tier 6) in accordance with applicable AICPA standards. Note that the Attestation (AT) standards were superseded by AT-C Statements on Standards for Attestation Engagements (Clarified) (SSAE No. 18) effective for practitioners’ (i.e. IPA) reports dated on or after May 1, 2017.

If the report includes any findings related to fraud, waste or abuse scan and email the affected findings to the OSA Financial Audit Director. If the content of the report or communications received from the IPA or agency lead the reviewer to believe the entity being reviewed is in a situation in which fraud can easily be perpetrated, or has been perpetrated, scan the affected pages and email them to the Financial Audit Director.

### Objectives:
The objectives of the review are to: (1) make a high-level, substantive appraisal of the report; (2) ensure that the agreed-upon procedures report includes the information for the correct tier of agreed-upon procedures per Section 12-6-3 NMSA 1978 and Section 2.2.2.16 NMAC; and (3) determine if the report meets applicable AICPA standards. (GAGAS standards do not apply to OSA AUP engagements.) This review guide does not contain every agreed-upon procedure engagement standard or requirement applicable to an agreed-upon procedures engagement.

As you are conducting the review keep the big picture in mind. For example, as you are reading through the report consider whether the information in the report makes sense.

If this is a Tier 6 Agreed Upon Procedures Engagement, did the report include a compilation of the local public body’s financial statements as required by Section 12-6-3(B)(6) NMSA 1978?

FINDINGS FOR AGREED UPON PROCEDURES ENGAGEMENTS – AT-C 215.24-215.27

FINDINGS in the AUP report – The IPA should present the results of applying agreed-upon procedures in the form of findings. The IPA’s report should not express an opinion or conclusion about whether the subject matter is in accordance with (or based on) the criteria or whether the assertion is fairly stated. For example, the report should not state, “Nothing came to our attention that caused us to believe that the subject matter is not in accordance with (or based on) the criteria, in all material respects, or that the assertion is not fairly stated, in all material respects.” The IPA should not use vague or ambiguous language in reporting findings. The IPA must report all findings from the application of the agreed-upon procedures, pursuant to Section 12-6-5 NMSA 1978 and AT-C 215.26. The concept of materiality does not apply to findings to be reported.

Do the findings in the AUP report meet these requirements?

THE REMAINDER OF THE GUIDE IS FOR REVIEWS OF TIER 6 ONLY AND RELATES TO COMPLIANCE WITH AICPA PROFESSIONAL STANDARDS FOR COMPILATION ENGAGEMENTS:  
Because a compilation engagement is not an assurance engagement, a compilation engagement does not require the IPA to verify the accuracy or completeness of the information provided by management or otherwise gather evidence to express an opinion or a conclusion on the financial statements.  

COMPILATION PROCEDURES – AR-C Section 80.13  
The IPA should read the financial statements in light of the IPA’s understanding of the applicable financial reporting framework and the significant accounting policies adopted by management and consider whether such financial statements appear to be appropriate in form and free from obvious material misstatements.

Do the financial statements appear to be appropriate in form (per the AUP requirements) and free from obvious material misstatements?

**COMPILATION REPORT REQUIREMENTS – AR-C Section 80.17**

Is the IPA’s compilation report written and does it include the following items required by AR-C Section 80.17?

| • A statement that management is responsible for the financial statements; | YES_____ NO_____ N/A_____ |

| • Identification of the financial statements that have been subjected to the compilation engagement; | YES_____ NO_____ N/A_____ |

| • Identification of the entity whose financial statements have been subjected to the compilation engagement; | YES_____ NO_____ N/A_____ |

| • The date or period covered by the financial statements; | YES_____ NO_____ N/A_____ |

| • A statement that the IPA performed the compilation engagement in accordance with SSARSs promulgated by the Accounting and Review Services Committee of the AICPA; | YES_____ NO_____ N/A_____ |

| • A statement that the IPA did not audit or review the financial statements nor was the IPA required to perform any procedures to verify the accuracy or completeness of the information provided by management and, accordingly, does not express an opinion, a conclusion, nor provide any assurance on the financial statements; | YES_____ NO_____ N/A_____ |

| • The signature of the IPA or the IPA firm; | YES_____ NO_____ N/A_____ |

| • The city and state where the IPA practices (This information can be provided in the firm letterhead pursuant to AR-C 80.A26); | YES_____ NO_____ N/A_____ |

| • The date of the report, which should be the date that the IPA completed the required compilation procedures? | YES_____ NO_____ N/A_____ |

Since the financial statements are prepared in accordance with a special purpose framework (presenting only the fund financial statements and related notes) does the compilation report include the following disclosures required by AR-C Section 80.18, if applicable?

| • Do the financial statement disclosures include: (1) a description of the special purpose framework; (2) a summary of significant accounting policies; (3) an adequate description about how the special purpose | YES_____ NO_____ N/A_____ |
framework differs from GAAP; and
(4) informative disclosures similar to those required by GAAP when
the financial statements contain items that are the same as, or
similar to, those in financial statements prepared in accordance
with GAAP.

Pursuant to AR-C 80.21, does the IPA’s compilation report on the
financial statements include a separate paragraph that:
(1) says the financial statements are prepared in accordance with the
applicable special purpose framework;
(2) refers to the note disclosure that describes the framework; and
(3) states that the special purpose framework is a basis of accounting
other than GAAP?

YES_____ NO_____ N/A ______

If the IPA became aware of a departure from the applicable reporting
framework (including inadequate disclosure) that was material to the
financial statements and the financial statements were not revised:

• Did the IPA modify the compilation report to include a separate
paragraph containing the elements required by AR-C 80.27? (See AR-
C 80, Exhibit B for examples of compilation report language) Note
that the IPA should not modify the compilation report to state that the
financial statements were not in conformity with the applicable
financial reporting framework (AR-C 80.33).

YES_____ NO_____ N/A ______

• If there was such a departure from the reporting framework, were the
effects of the departure on the financial statements disclosed if known,
or did the IPA state in the report that such a determination was not
made by management? (AR-C 80.30-31)

YES_____ NO_____ N/A ______

For the compilation of fund financial statements and related note disclosures
required by the Tier 6 AUP (when the IPA has not noted a departure from
the required framework in the fund financial statements and notes) does the
report format generally follow the report example shown below (compiled
from AR-C 80 Exhibit B, and modified for a governmental entity)?

YES_____ NO_____ N/A ______

Management is responsible for the accompanying financial statements of
(the local public body name), which comprise the balance sheets-
governmental funds, statements of net position- proprietary funds and
statements of fiduciary net position- fiduciary funds, for each individual
fund, as of XX/XX/XX and the related statements of revenues, expenditures
and changes in fund balances– governmental funds, statements of revenues,
expenses and changes in net position– proprietary funds and statements of
changes in fiduciary net position- fiduciary funds, for each individual fund
for the years then ended, and the related notes to the financial statements in
accordance with the requirements of Section 2.2.2.16 New Mexico
Administrative Code (NMAC). I have performed a compilation engagement
in accordance with Statements on Standards for Accounting and Review
Services promulgated by the Accounting and Review Services Committee of
the AICPA. I did not audit or review the financial statements nor was I
required to perform any procedures to verify the accuracy or completeness
of the information provided by management. Accordingly, I do not express
an opinion, a conclusion, nor provide any form of assurance on these
financial statements.

In order to comply with the requirements of Section 12-6-3(B) NMSA 1978
and 2.2.2.16 NMAC, management has presented: (1) the governmental fund
financial statements prepared using the modified accrual basis of accounting;
(2) the proprietary fund financial statements and the fiduciary fund financial
statements prepared using the accrual basis of accounting; and (3) only the notes related to those financial statements. However, in complying with these requirements, management has omitted the following financial statements and notes required by accounting principles generally accepted in the United States of America (GAAP): (a) the accompanying government-wide financial statements; (b) the statement of cash flows- proprietary funds; and (3) note disclosures related to items (a) and (b). **These omissions result in the financial statements being presented on a basis of accounting other than GAAP**.
