## **Objective:**

The objectives of the review are to: (1) ensure that audit reports meet applicable governmental auditing, accounting and financial reporting standards, and the New Mexico Administrative Code 2.2.2 Requirements for Contracting and Conducting Audits of Agencies; and (2) identify any follow-up audit or reporting work needed.

## **Instructions:**

The audit manager or the employee in charge of the audit firm's quality control system is required to complete this review guide. You are required to answer all of the questions in the review guide. Insert page number references for all yes answers. Submit comments to explain all no answers, unusual circumstances, or why a reporting standard was not complied with. Pursuant to 2.2.2.9(C)(1) and (2) NMAC, the report will not be accepted by the Office of the State Auditor if the review guide is incomplete, or if the report is unfinished or contains an excessive amount of errors and omissions. This review guide does not contain every auditing, accounting and financial reporting standard or requirement applicable to a financial audit. Agencies and auditing firms are required to ensure that all applicable auditing, accounting and financial reporting standards, laws and regulations are complied with during the preparation of the audit reports, financial statements, notes and schedules.

Independent Auditor's Report			
[Appropriate Addressee]	YES	NO	N/A
We have audited, in accordance with the auditing standards generally accepted in the United State of America and the standards applicable to financial audits contained in <i>Government Auditing Standards</i> issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information, the budgetary comparisons of the general fund and major special revenue funds, of Example Entity as of and for the year ended June 30, 20X1, and the related notes to the financial statements, which collectively comprise Example Entity's basic financial statements, and the combining and individual funds and related budgetary comparisons of Example Entity, presented as supplemental information, and have issued our report thereon dated August 15, 20X1.	Comments:  Page Ref:		
Internal Control Over Financial Reporting In planning and performing our audit of the financial statements, we considered Example Entity's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Example Entity's internal control. Accordingly, we do not express an opinion on the effectiveness of Example Entity's internal control.			
A <i>deficiency in internal control</i> exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A <i>material weakness</i> is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A <i>significant deficiency</i> is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.			
Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying [schedule of findings and responses or schedule of findings and questioned costs] that we consider to be significant deficiencies. [List the reference numbers of the related findings, for example, 20X1-1, 20X1-3, and 20X1-4].			
Compliance and Other Matters (noncompliance and fraud & abuse that are not significant deficiencies but are required by Section 12-6-5 NMSA to be included, should be reported in the following paragraph per the OSA)			
As part of obtaining reasonable assurance about whether Example Entity's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statements amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under <i>Government Auditing Standards</i> and which are described in the accompanying [schedule of findings and responses or schedule of findings and questioned costs] as items [list the reference numbers of the related findings, for example, 20X1-2 and 20X1-5].			
Entity's Response to Findings  Example Entity's response to the findings identified in our audit are described in the accompanying (schedule of findings and responses or schedule of findings and questioned costs). Example Entity's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.			
Purpose of this Report  The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the			

	entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with <i>Government Auditing Standards</i> in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
