

Exhibit A
Tier 3 Agreed-Upon Procedures

This engagement is to be performed pursuant to the AICPA Statements on Standards for Attestation Engagements (Clarified), AT-C Section 215 for agreed-upon procedures engagements.

The scope of the agreed-upon procedures engagement shall encompass all capital outlay funds as defined in Audit Rule (2.2.2.16 NMAC). Test work shall be applied to only capital outlay expenditures that meet the Tier 3 criteria. The intent of the procedures is to ensure that 100% capital outlay expenditures, as defined in Audit Rule, have been tested at the completion of the project.

Request and review all capital outlay awards, joint powers agreements, correspondence and other relevant documentation for any capital outlay award funds expended by the recipient that meet the definition in Audit Rule.

1. Verify the local public body's revenue calculation and tier determination documented on the form provided at www.osanm.org under "Tiered System Reporting Main Page." Include a statement documenting the reason for the Tier 3 engagement: (a) A capital outlay appropriation was received and expended in full during the fiscal year; (b) A capital outlay appropriation was received and has expended 50% or more of the appropriation; or (c) A capital outlay appropriation was received, and the remainder of the appropriation was expended.
2. Perform the following tests on all capital outlay expenditures as defined in Audit Rule:
 - a) Determine the amount recorded as disbursed agrees to adequate supporting documentation. Verify amount, payee, date, and description agree to the purchase order, contract, vendor's invoice, and canceled check, as appropriate.
 - b) Determine the cash disbursements were properly authorized and approved in accordance with the budget, legal requirements and established policies and procedures.
 - c) Determine the bid process (or request for proposal process if applicable), purchase orders, contracts and agreements were processed in accordance with the New Mexico Procurement Code and State Purchasing Regulations (Section 13-1-28 through 13-1-199 NMSA 1978 and 1.4.1 NMAC).
 - d) Determine the physical existence (by observation) of the capital asset based on expenditures to date.
 - e) Verify status reports were submitted to the state agency charged with oversight per the terms of the agreement and verify the amounts in the status report agree with the general ledger and other supporting documentation.
 - f) If the project was funded in advance, determine if the award balance (and cash balance) appropriately reflects the percentage of completion based on the project schedule and expenditures to date.
 - g) If the project is complete, determine if there is an unexpended balance and whether the agency was required to revert unexpended funds per statute and the agreement with the grantor.
 - h) Determine whether cash received for the award was accounted for in a separate fund or separate bank account that is non-interest bearing if so required by the capital outlay award agreement.
 - i) Determine whether reimbursement requests were properly supported by costs incurred by the recipient.
3. If information comes to the IPA's attention (regardless of materiality) indicating any fraud, illegal acts, noncompliance, or any internal control deficiencies, such instances must be disclosed in the report as required by Section 12-6-6 NMSA 1978. The findings must include all required content detailed in Section 2.2.2.10(L)(1)(d) NMAC.
