## **Objective:**

The objectives of the review are to: (1) ensure that audit reports meet applicable governmental auditing, accounting and financial reporting standards, reporting requirements for single audits, and the New Mexico Administrative Code 2.2.2 Requirements for Contracting and Conducting Audits of Agencies; and (2) identify any follow-up audit or reporting work needed.

### Instructions:

The audit manager or the employee in charge of the audit firm's quality control system is required to complete this review guide. You are required to answer all of the questions in the review guide. Insert page number references for all 'yes' answers. Submit comments to explain all 'no' answers, unusual circumstances, or why a reporting standard was not complied with. Pursuant to 2.2.2.9(B) NMAC, the report will not be accepted by the Office of the State Auditor if the review guide is incomplete, or if the report is unfinished or contains an excessive amount of errors and omissions. This review guide does not contain every auditing, accounting and financial reporting standard or requirement applicable to a financial audit. Agencies and auditing firms are required to ensure that all applicable auditing, accounting and financial reporting standards, laws and regulations are complied with during the preparation of the audit reports, financial statements, notes and schedules.

This Statement establishes accounting and financial reporting requirements for pensions provided to the employees of state or local governmental employers. This Statement also establishes financial reporting requirements for pension plans administered through trusts that meet the criteria in paragraph 3 of Statement 67.	Comments:		
The objective of this Statement is to improve consistency in the application of pension accounting and financial reporting requirements by addressing certain issues that have been raised with respect to Statements No. 67, No. 68, and No. 73. Specifically, this Statement addresses issues regarding (1) the presentation of payroll-related measures in required supplementary information, (2) the selection of assumptions and the treatment of deviations from the guidance in an Actuarial Standard of Practice for financial reporting purposes, and (3) the classification of payments made by employers to satisfy employee (plan member) contribution requirements.

	38 Does the following section appear with the subheading "Other Matters" and include the following statements regarding Required Supplementary Information (RSI) when the auditor applied specified procedures and no material departures from the prescribed guidelines were identified per AU-C 730.0708:	YES Comments:	NO	N/A
	<ul> <li>Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and additional RSI if applicable on pages XX-XX, be presented to supplement the basic financial statements (AU-C 730.08a);</li> </ul>			
	<ul> <li>(ii) Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context (AU-C 730.08b);</li> </ul>			
	(iii) The auditor has applied certain limited procedures to the RSI in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to the auditor's inquiries, the basic financial statements, and other knowledge the auditor obtained during the audit of the basic financial statements (AU-C 730.08ci);			

		1		
	(iv) The auditor does not express an opinion or provide any assurance on the information because the limited procedures do not provide the auditor with sufficient evidence to express an opinion or provide any assurance (AU-C 730.08cii).			
	(v) If the auditor is unable to complete the RSI procedures, or if some of the RSI is omitted, or if the RSI departs materially from the prescribed guidelines, or if the auditor has unresolved doubts about whether the RSI is measured or presented in accordance with the prescribed guidelines, were the applicable statements from AU-C 730.08(d) to (g) included?			
	(vi) If all the RSI was omitted, did the "other-matter" paragraph include the statements required by AU-C 730.09(a) to (c)?	Page Ref:		
(i)	Continuing under the subheading "Other Matters," do the following paragraphs regarding Supplemental Information (SI) appear below the RSI paragraph, and include the following statements pursuant to AU-C 725.09?	YES Comments:	NO	N/A
	.09a. the audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise [the agency]'s basic financial statements;			
	.09b. the SI [list schedules] is presented for purposes of additional analysis and is not a required part of the basic financial statements;			
	<i>.09c.</i> the SI [list schedules] is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the basic financial statements;			
	.09d. the SI has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America;			
	.09e. if the auditor issues an unmodified opinion on the financial statements and the auditor has concluded that the SI is fairly stated, in all material respects, in relation to the financial statements as a whole, a statement that, in the auditor's opinion, the SI [list schedules] is fairly stated, in all material respects, in relation to the basic financial statements as a whole;			
	.09f and following – if the auditor issues a qualified opinion on the financial statements, or an adverse or disclaimer of opinion on the financial statements, did the IPA include the applicable statements from either AU-C 725.09(f) or 725.11?	Page Ref:		
	(i) Are all of the SI schedules required by 2.2.2.10(A)(2)(e) NMAC, including combining and individual fund financial statements for all non-major funds, and any other SI schedules required by the Audit Rule included in the AU-C 725 opinion; and are the schedules properly identified in the AU-C 725 paragraph as noted in the table of contents? (j) Continuing under the subheading "Other Matters," If applicable, does a paragraph regarding Other Information (OI) appear below the SI paragraphs, pursuant to AU-C 720.A2? The auditor is not required to make reference to the other information in the auditor's report on the financial statements. However, the auditor may include another-matter paragraph disclaiming an opinion on the other information. An example of such a paragraph follows: "The [accompanying other information] has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it." <ul> <li>(k) The subheading "Other Reporting Required by Government Auditing Standards" should appear next in the report, pursuant to AU-C 700.37 and .A32. See also AAG SLV Chapter 16, Appendix A, Example A-1. An example paragraph follows:</li> </ul>	YES Comments:	NO	N/A
In accordance with Government Auditing Standards, we have also issued our report dated XX/XX/XX on our consideration of [the agency]'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering [the agency]'s internal control over financial reporting and compliance.
